

Quintax® On-line

Price List from January 4th 2011

Quintax On-line services are priced in 'units' where 1 unit = £1.15 + VAT.

In order to become a user of Quintax On-line you need to order 100 units (equivalent to £115 + VAT) and these will be credited to your user account. Further ordering of units can be done directly from the Quintax On-line user site (the minimum order from the site is 100 units).

Once registered, the Quintax On-line User Guide will be e-mailed to you with details of your username and password. These can be used to access the site at www.quintaxuser.co.uk. All units ordered (either to register, or from within the site) are invoiced as for our other services. Service pricing are shown below – the pricing of individual units is reviewed annually in January.
