## Application for Authorised User status in Quintax<sup>®</sup> and Registration Pack Order

If you are BPS Intermediate or Full Level B qualified, or equivalent, you can register to use Quintax without further training. Normally 'equivalent' is taken to mean having a qualification to use at least one other personality questionnaire (e.g. 16PF5, OPQ etc.) together with some experience in using the measure in occupational settings such as selection, development etc.

In order to register you must purchase a Quintax Registration Pack. This form is both an application for registration and an order form for a Registration Pack. If, given your experience and qualifications we can register you (and not otherwise), we will process the order and invoice you accordingly for the Registration Pack Fee of £275 + VAT. The Registration Pack contains a Quintax Reference Set, entitlement to 150 Quintax On-line Units, and **FREE** optional attendance at one of our 1 day Quintax Conversion Courses.

Please complete the details below and return the form to Stuart Robertson & Associates Ltd, Empress Buildings, 380 Chester Road, Manchester M16 9EA, or fax it to us on 0161 877 4500. Alternatively, email the form to [mail@sr-associates.com](mailto:mail@sr-associates.com). In the case of BPS or test publisher certificates we may ask for evidence and, if so, it would be helpful if you could provide us with a photocopy to support the application. Any photocopied certificate(s) may be sent or faxed, along with this form, to the address above.
